Minu	utes of the Meeting of the International Confederation of the Society of St. Vincent De Paul (SSVP), Abuja Central Council Held at St. Agnes Conference, Wuye on 9 th April, 2022.
1.0	Attendance A total of One Hundred and Ninety Six (196) Vincentians were in attendance at the meeting. Details are as shown on pages 11, 12, 13 and 14.
2.0	Opening The meeting started at 10.37am with a prayer said by Bro. Kanu S. Luke, the Conference president of Holy Spirit, Byazhin.
3.0	Spiritual Reading The Spiritual reflection at the meeting which was based on the reading with the theme: "Three can be greater than Ten", from page 60 of the Manual of the Society (4 th Edition Reprint), was taken by Bro. Isidore Udenko, the Conference President of St. Agnes, Wuye. In his reflection, he noted that the reading is much applicable in recent times because of the availability of only few persons when it comes to carrying out Vincentian work and that even the few that are available are usually faced with numerous challenges such as vain benefactors that insist on how their contributions are shared and also the overwhelming number of masters that flock different conferences and centers. He concluded by stating that by the grace of God, we would always be able to achieve the great works of the society.
	The Central Council President, Bro. Ugochukwu Anaedobe in his contribution emphasized the need for Vincentians to contribute more time towards the work of the society rather than just being associate members. From our reports it is often obvious that only a few members are active in our Conferences and Centers and it ought not to be so. He urged all Vincentians to do more in that regard.
4.0	Opening Remarks by the Council President: The Council President thanked God for the gift of life and for giving everyone the grace to attend the meeting. He noted that although the society is a special one that should not be taken lightly because it provides a pedestal for its members to make heaven, it is also unique in the sense that it holds members accountable to the extent that if one is not careful, it can also lead one to hell. Vincentians would be held accountable even though they joined the society voluntarily.
	He also talked about the oneness of the society as it tries to build a network of charity worldwide where what troubles one Conference automatically troubles another. That is the reason why international and local conferences are twinned to each other because we are all working towards the same goal and he urged stronger Conferences to always support weaker ones both materially and spiritually.
	In conclusion, he reminded Conference Presidents and Center Coordinators that they are the eye of the Council just the way Ministers and their Ministries are meant to carry out the policies of the Government. There is no room for grandstanding or spectatorship. The policies of the Central Council should be owned by them and all important information must be taken back to Conferences and Centers with strict adherence.
5.0	Welcome Remarks by the Host Conference President: Bro. Isidore Udenko, Host Conference President welcomed all Vincentians in the name of our Lord Jesus Christ. He remarked that the Conference was formed in 2004 and inaugurated in 2007. He noted that he is the third President since the inauguration and they have had serious challenges but just like the spiritual reading highlighted, the fact that three can be greater than ten is always exemplified in their Conference. He agreed with the Council President that the buck of the responsibility lies with the Presidents and Coordinators.
	He further spoke on the gains of twinning especially the international ones because his Conference is at the verge of establishing a twinning relationship with a conference in the United States of America but the process is being delayed. He urged the Council to ensure that the process is concluded as soon as possible to enable them reap the benefits that accrues from such relationship
	In his response, the Central Council President noted that since it seems the host conference is having membership issues, they should liaise with their Parish Priest who is supportive of the society to organize membership campaigns in the Church. The Zonal Coordinator should also be involved. On the twinning, the Council President noted that the work is currently ongoing and the approval lies with the National Council President.

6.0	Welcome Remarks by the Parish Priest of St. Agnes Conference, Wuye: The Parish Priest Rev. Fr. Peter Belikan on behalf of his Parishioners welcomed Vincentians to the meeting and prayed for fruitful deliberations. He noted that every baptized Christian should be a member of the society because the work it does is a core Christian duty emphasized by Jesus Christ himself. He urged Vincentians to continue making sacrifices and prayed that God in his infinite wisdom and mercy would continue to bless us. He concluded by wishing all members safe arrival to their destinations after the meeting						
	members safe arrival to their destinations after the meeting.						
	In his response, the Council President stated that the council had heard about the numerous support shown to the Society and thanked the Parish Priest immensely. He added that the society experiences different levels of support from various parishes but those that receive the type currently enjoyed by the host conference always have the sky as their limit. He concluded by urging all Conferences to always carry their parish priests along by constantly giving						
	reports both financial and otherwise as it creates trust and confidence.

10.3	 Life Camp Zone: The Zonal Coordinator, Bro Chika Muobuike reported that the Zone which meets bimonthly had their last meeting on 19th February, 2022 at St. Peter Jiwa. He also made the following remarks and observations on its zonal activities; i. The Parish Priest at St. Peter Jiwa reported them that they are not doing things correctly and even though he has approved an awareness campaign, the coordinator hasn't been able to provide a date for it. ii. St. Mathew Police Chaplaincy, Gwagwa had about 15 members when an awareness campaign was done there but now have only about 4 members. iii. The Parish Priest at St. Joseph, Gwagwa has asked that the society be started there which would be done soon. iv. St. Martins Center, Mabuchi is a new center and is been nurtured by Holy Cross, Gwarimpa. v. St. Cyril, Kadokuchi is a vibrant Center and is due for inauguration. They would be presented at the next Council meeting. vi. The zone will hold its next meeting at St. Louis EFAB Global.
	attitude of its members. He spoke about how the Parish Priest once asked them to come in a minimum of 4 persons to collect $\$50,000$ but for over 3 months, himself and the secretary were not able to gather that number of persons to meet with the Priest.
	Bro. Eze Sebastine the treasurer of St. Mathew Police Chaplaincy, Gwagwa also complained about membership and that since Covid-19 lockdown eased, only about four (4) members come for meeting. The Center also needs a new Coordinator as the previous one is engaged with their parish laity council.
	The Council President remarked that there should be awareness campaign at both centers followed by training specifically for them.
10.4	 Karu Zone: The Zonal Coordinator Bro. Nwokpor Bonaventure reported that they had their last meeting on 2nd April, 2022 at St. Mary's, Karu. He gave the following reports on the their activities: Many centers and conferences in the zone did not do well in the timely submission of annual reports and a lot of work has been done to ensure it doesn't happen again. The Zone is also planning Zonal training in June. The Zone is planning for Easter food sharing and he pleaded with well to do Conferences in other zones to lend some assistance due to the peculiarity of Karu zone especially as they share border with Nasarawa State. A new center, Divine Mercy has been identified and is been nurtured by St. Ignatius, Karu. Concerning St. Joseph the Worker, Kugbo, they have no members and needs to be revived. It had been assumed that they weren't under Karu Zone. St. Kevin, Jikwoyi which moved to an interior location as a result of the creation of Pastoral centers is now faced with serious membership and financial issues just as the Center, St. Josephine Bakhita which occupies their former location is now vibrant because the members refused to move with St. Kevin. This is a unique situation but he called on the Central Council to quickly inaugurate St. Josephine Bakhita so they could administratively take on more responsibilities. Vii. St. Pius X, Gbagalape's issues with their Parish Priest are likely to be resolved as the Priest has confirmed a reopening after Easter. He thanked the Central Council President and Matron for their intervention.
10.5	Garki Zone:
	 Sis. Ebere Ameh on behalf of the Garki Zonal Coordinator gave the following reports about the Zone. i. The Zone visited St. Mary's Orphanage on the 19th of March, 2022. ii. The Zone is organizing a training on annual reports. iii. The zone visited St. Peters Center, Damangaza.
11.0	Other Matters:
11.1	Update on Central Council Training: The Council President announced that there has been a restructuring of the training program in the Council to ensure uniformity. The Council Training Officer, Bro. Bonaventure Nwokpor added that all Conferences and Centers need to align their trainings with the Council by firstly identifying training needs so that the Council can organize a curriculum for the sake of uniformity of information Vincentians are been trained on. He noted that any Conference or Center that is

	organizing any training must let the Central Council know for the same reasons and urged all Conferences to fill out the training needs forms. Post training Assessment feedback forms are also to be filled out after each training so that

What the il can do is to share the message for support but not to provide funds for the case. He however asked them to e their Bank account which would be placed on the WhatsApp Platform.
12.0	AOB: i. ii. iii. iv. v. vi. vii. vii. viii. ix.	 Bro. Amanobi Nwinne the secretary of St. Andrew, Orozo asked about the fee Centers are to pay for training. The Central Council President responded by restating the figures. Centers are to pay N3,000 for two persons and an extra N1,000 each for additional persons if any. Bro. Gerald Ukor the President of Holy Trinity, Maitama announced the death of their master Simon Aaron. Sis. Elizabeth Ogidan the President of Guardian Angel, Lugbe asked the Council to publish the number of raffle tickets given to each Conference so they can check their records. Bro. Marcel Anyatonwu the President of St. Luke's, Kubwa suggested if templates could be made for giving reports such as prison visits and zonal activities so that they could be concise but detailed enough to save time. The Council President noted that he had already announced that prison visits and other such reports be written neatly or typed and submitted during meetings. Also, he observed that the main reason the council meeting lasts long is because it starts late due to late coming of members. He urged members to try and be prompt henceforth. Bro. Ipenyi Sylvester the President of Holy Cross, Gwarimpa said that his Conference is handling the case of a 20yr old boy with end stage Kidney disease. He said that of the N15m needed for the transplant, the family has been able to raise N5m. He pleaded with all Vincentians that are moved to contribute towards the treatment. Bro. Emmanuel Umeano from St. Joseph Mukasa, Gidan Mangoro announced that the Laity Council in collaboration with INEC is organizing voter registration for deaneries in Abuja. Bro. Mbachu Charles, the Vice President of Arch Angels, Gaduwa announced that the was recently involved in a ghastly accident but his life was saved. He is grateful to Garki Zone for their support and prayers. Bro. John Emmanuel the President of St. John the Beloved, Tunga Maje announced that they lost a Master named Angela Echizona. Also, a member lost her
	х.	projects. They would actually be involved because the contributions of the society alone usually cannot set up a viable project that can be seen as self-sustainable. Bro. Gerald Ajoku the President of St. Monica, Byazhin announced that two members of his Conference would be getting married on the 30 th of April, 2022 and they are inviting the Council.
	xi.	The Council President urged the Kubwa Zonal Coordinator to mobilize their members to support the couple. Bro. Shij Aondoakura, the Youth Coordinator of St. Agnes, Wuye observed that there are so many editions of the Society's manual of which the readings and other chapters appear on different pages. He expressed his displeasure as regards and asks if the numerous versions and revisions were done for the purpose of raising funds.
	xii.	The Council President in his response noted that those manuals were produced by the National Council and not the Abuja Central Council. He added that there were some amendments that were made by the National Council that necessitated the various versions we are seeing. Sis. Joy Ohiagu also added that two of the reprints of the 4 th Edition had typographical errors which led to the reprinting. Sis. Joy Ohiagu spoke concerning the uniforms. She apologized on behalf of the Council and explained that the delay came from the National Council because the order received from the factory wasn't sufficient so they supplied Councils that ordered smaller quantities first. Abuja ordered for 250 pieces and she promised that when the uniforms arrive, it would be supplied to those who paid first.

	She also spoke about Justice Development and Peace Commission (JDPC) and explained that their roles are interwoven with that of SSVP. She urged Vincentians not to have conflict with them but rather collaborate by sending masters that have court related issues, marriage abuse, housing issues to them. She added that the Lenten collection collected is shared by the Arch Diocese and 20% gets to all Parishes and the money is supposed to be shared by JDPC, SSVP and Church Welfare. Lastly she commented that the INEC registration activity is not spearheaded by the Laity Council but rather the JDPC.
